

Shree Aniruddha Mahima

**The buddhi firm in Aniruddha
Whence, misery & stress Never!
His mere darshan rids
All cares and intense ill**

**He pervades all, He is infinite
Whether we be in a crowd
Or in solitude be it
He knows the essence, the core of all**

**A single glance, just the one
In a moment it strikes sin
Lifts a life that is fallen
Burning down heaps of wrongdoing.**

**No word He needs pronounce
Nor needs HE a touch to bless
Alone His flowing stream of grace
Suffices, lends purpose to life.**

**For upliftment of the human birth
He has come down to the earth
Complete & perfect in attribute & form
For bhakta's He is support & love.**

**Having journeyed through 84 lakh species
Only then the human birth comes.
But the birth a fulfilled life becomes
At Aniruddha's Feet alone, be known.**

**Led by dharma, with love at heart
The worldly life gratified and content
Immersed in the Name yet aware & alert
So He says always. Do it.**

**An ocean of joy immense He is,
Love and grace boundless He is
Cares and protects always He does**

Infinite compassion always He gives.

**Not a trace of virtue from the past;
Yet at HIS Feet who offers himself
Chants Aniruddha, Aniruddha every moment
Will find the way, the path will open up.**

**Neither faith nor bhakti in the heart
Ignorance weighs heavy on the chest,
Such a one too looks at His Feet, by chance
Him too in stormy seas HE protects**

**Toil, strive and satisfied, sweat
The name of Hariguru be always on the lips
This alone is the one rule He says
Loud and clear, He speaks in earnest.**

**Each of us seeks the strength of mind
We try in vain, no avail, futile.
But bear in mind, the eternal guide,
The cure, the key is Aniruddha's Word.**

**You and I firm together
Nothing can stand in the way ever
This He pledges open and forthright;
Aniruddha, the ultimate Ruler.**

**All strength roots in the mind, its source
But the strength of mind? Do we ever attain?
Remember always HIS pledge of Honour
It's Aniruddha alone who grants it.**

**Follow His Word, make seva an offering,
Glories of His name be the one longing
This is the only means gratifying
Of austerity simple and sweet.**

**May faith be pure & from the heart
And the mind too be totally cleansed
May all seva be in bhakti blessed**

Fulfill so the life in this world.

**Neither the need to forsake the wife,
Nor the home nor family life,
Yet attain the highest goal in life
O man, merely chant His name**

**The right, the wrong I know not
Nor understand what I gained and lost
All I know - I hold firm Your Feet
Take care, protect me O please.
The heavy knowledge of scriptures I fear.
Laurels and honour are not dear.
Ten faculties and the mind, my prayer,
At Your Feet I offer all.**

**All, each in my interest apt
You will, yes! You will surely grant.
For certain, yes I do know that
So O Raghav! Assured I rest**

**O dear God, O Sadgururaya
O Pure One, who showers joy
O Sagun Brahma, O bhakta's friend
Protect me O BAPU, Protect me please! (3)**
